July 2020

Dear Friends,

Founded in 1830, Catholic Charities has been providing direct, critical care human services for 190 years. Our scope of work within the community has changed throughout the years, but our focus remains on helping those who are the most vulnerable among us. Even as we celebrate this notable anniversary milestone, the need for our community grows daily.

For our clients, there is little room for celebration as they face the twin crises of a once-in-a-lifetime event. Catholic Charities clients come to us year-round, looking for help in beginning new chapters in their life. Struggling with problems that seem insurmountable, they come to us for help and hope.

Clients like Tyrone, who has fallen behind on his rent from being unable to work, because of his husband’s illness. Or Maria and her children, who had to find new housing because of her husband’s illness. Or Rita, who has fallen behind on her rent from being unable to work, because of her husband’s illness. Or Richelle, who has fallen behind on her rent from being unable to work, because of her husband’s illness. Or Ann, who has fallen behind on her rent from being unable to work, because of her husband’s illness.

Our mission remains on helping those who are the most vulnerable among us. Even as we celebrate this 190th anniversary milestone, the need in our community grows daily.

Catholic Charities serves the most vulnerable in Delaware and the Eastern Shore of Maryland, regardless of religion, race, or ability to pay.
